

RIRPA

The Rhode Island Recreation and Parks Association consists of parks and recreation professionals dedicated to the advancement of parks and recreation programs and services in Rhode Island

Our Goals Include:

- Unite all individuals interested in the advancement of parks and recreation in Rhode Island
- Broaden professional growth and development among our membership
- Stimulate and promote a widening interest in recreation and park opportunities in our local communities
- Encourage cooperation among agencies and organizations concerned with the advancement of parks and recreation in Rhode Island
- Promote legislation that will advance parks and recreation programs, services, and facilities in our communities
- Encourage research and debate regarding parks and recreation issues affecting our association

Membership Services

- Continuing education opportunities with the opportunity to earn CEU credit
- Networking with other professionals including the sharing of ideas and problem solving methods
- Develop and promote statewide legislative issues
- Administration of state-wide special events, which include Hershey Track and Field, and Pitch, Hit, and Run
- Numerous staff training programs
- Sharing industry standards research information
- Present annual awards honoring outstanding achievements in our field

RIRPA Certification Program

Our association participates in the National Parks and Recreation Association's national certification program. We encourage all members to obtain their certification. The benefits include enhancing the professionalism of your department and making you more marketable when pursuing career advancement.

Association Committees

All RIRPA members are encouraged to share their talents by participating on an association committee. We are able to accomplish so much more when we all work together. Please contact Greg Fleury, RIRPA President at 401-738-2000 to obtain more information.

RIRPA Committees:

- Fundraising
- Education
- Programs
- Publications
- Legislation
- Awards
- Membership
- Certification

Association Awards

Our association honors outstanding achievement in the parks and recreation field by presenting annual awards at our annual January conference. Nomination forms are distributed in the fall
